

Business Rules

actor: Manager

AS A manager, I CAN create and control internships SO THAT I can discover the right talents for the right roles in the company.

AS A manager I CAN distribute the leaders to the teams SO THAT I can make sure that each team leader is able to coordinate in the best way the members.

actor: HR employee

AS A Human Resources employee, I CAN make operations in sense of projects and users SO THAT I can organize better the management of internship projects.

actor: Student

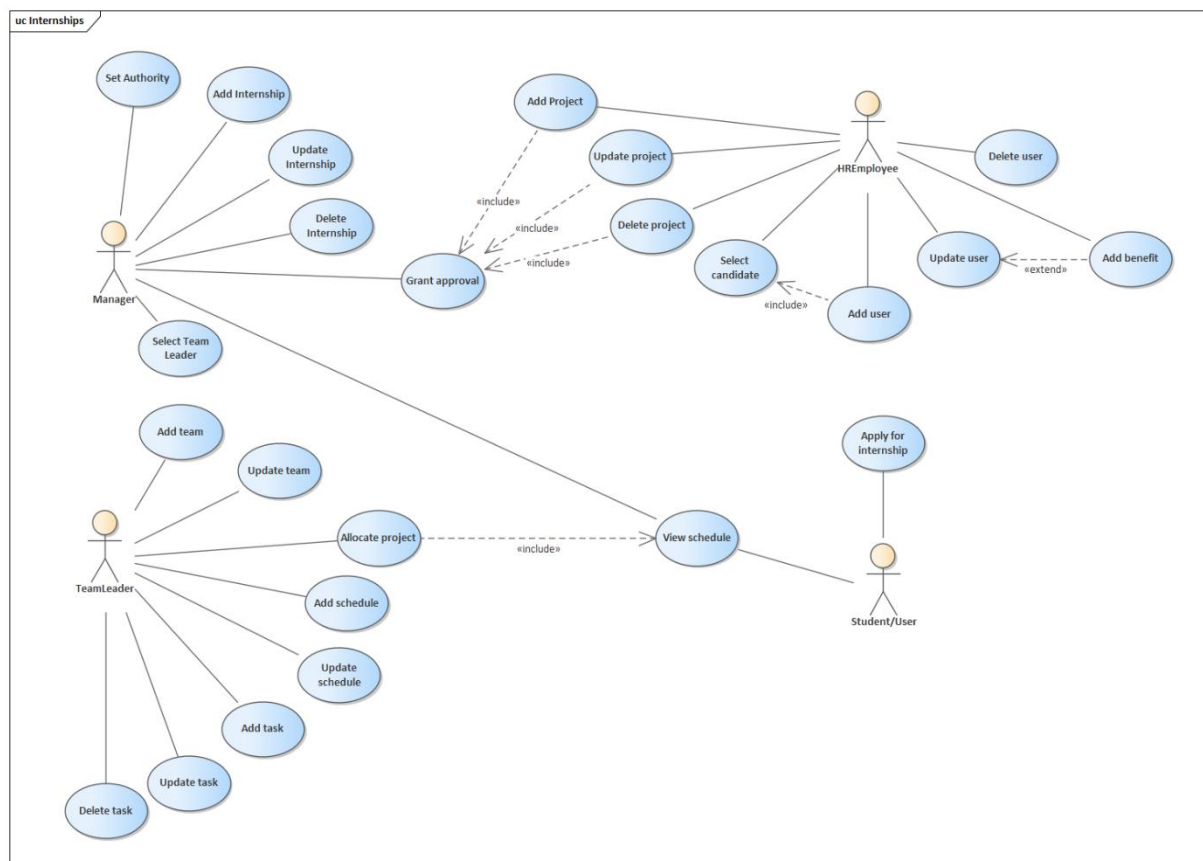

AS A candidate, I CAN apply for an internship, SO THAT I can improve my skills and gain experience.

AS AN intern, I CAN check the schedules, teams and projects SO THAT I can prepare for each task.

actor: Team Leader

AS A team leader I CAN establish the teams and tasks for each project SO THAT I can successfully complete the projects.
